eCos ASSIGNMENT

For good and valuable consideration, receipt of which the company acknowledge, AFTEK INFOSYS LIMITED, *mention address*, hereby transfer to eCosCentric Limited our entire right, title, and interest (including all rights under **copyright**) in the changes and enhancements to the eCos Operating System and associated **software** (herein called the "Software"), subject to the conditions below. These changes and enhancements are herein called the "Work". The Work also includes any future changes and enhancements to the Software hereafter made by the company which the company also hereby assign.

Upon thirty days prior written notice, eCosCentric Limited agrees to grant AFTEK non-exclusive rights to use the Work (i.e. just our changes and enhancements, not eCos as a whole) as AFTEK see fit; (and eCosCentric's rights shall otherwise continue unchanged).

We hereby agree that if AFTEK have or acquire hereafter any patent or interface copyright or other intellectual property interest dominating the software enhanced by the Work (or use of that software), such dominating interest will not be used to undermine the effect of this assignment, i.e. eCosCentric, Red Hat and the general public will be licensed to use, in that program and its derivative works, without royalty or limitation, the subject matter of the dominating interest. This license provision will be binding on AFTEK, assignees, or other successors to the dominating interest, as well as on AFTEK.

AFTEK hereby represent and warrant that the company is the sole copyright holder for the Work and that we have the right and power to enter into this contract. AFTEK hereby indemnify and hold harmless eCosCentric, its officers, employees, and agents against any and all claims, actions or damages (including attorney's reasonable fees) asserted by or paid to any party on account of a breach or alleged breach of the foregoing warranty. AFTEK make no other express or implied warranty (including without limitation, in this disclaimer of warranty, any warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE).
