

## Letter of Intent for Cooperation

Warmest Greetings To You,

I am a personal banker and accountant to energy magnates/investors a national of your country and happens to share the same last name as you, He used to work with Shell - development company in Northsea. Hereafter shall be referred to as my client.

On the 21st of April 2017, my client, his wife and their three children were involved in a car accident along the Houston-Dallas Highway. All occupants of the vehicle unfortunately lost their lives. Since then I have made several enquiries to your embassy to locate any of my client's extended relatives. After several unsuccessful attempts, I decided to track his last name over the Internet, to locate any member of his family hence I contacted you.

I have contacted you to assist in repatriating the money and property left behind by my client before they get confiscated or declared unserviceable by the bank where this huge deposits were lodged. Particularly, the finance company where the deceased had an account valued at about USD\$5.2 million dollars has issued me a notice to provide the next of kin or have the account confiscated within the next ten official working days.

Since I have been unsuccessful in locating the relatives for years now I seek your consent to present you as the next of kin of the deceased since you have the same last name so that the proceeds of this account valued at USD5.2 million dollars can be paid to you and then you and I can share the money. 60% to me and 40% to you I have all the necessary legal documents that can be used to back up any claim we may make. All I require is your honest cooperation to enable us to see this deal through.

I guarantee that this will be executed under a legitimate arrangement that will protect you from any breach of the law. Please get in touch with me so that we can proceed.
